The 4th of July stands as a pivotal date in American history, marking the moment when the Declaration of Independence was adopted in 1776.

This document not only proclaimed the colonies' independence from British rule but also laid the groundwork for the principles of democracy and individual rights that define the United States today.

From the Worshipful Master

Brethren,

As my year as Worshipful Master winds down I would like to invite everyone who can come to the election of officers, on Tuesday July 22nd, 2025. Election of officers for a lodge is an important step in each year. Please come and be a part of that.

The first stated meeting of August 2025, will be move-up night where the newly elected officers will assume their stations. That will take place on August 12, 2025.

On Tuesday, September 3rd, we will install officers at 6:00 PM and eat following the installation. This is an open meeting, everyone is welcome to attend.

We have worked with the Masonic Home of Missouri's Creating a Partnership, and have a check in the amount of \$3,000 to present, this Friday, July 11th, 2025, To Melinda Ingram, director of The Lakes Area Child Advocacy Center. This money will be used to buy clothing and other supplies to support the needs of abused children. We are very proud to be a part of that.

We are practicing every Tuesday night that is not a lodge-stated meeting night working on receiving the Silver Ritual Award. All Master Masons are welcome to come out and watch.

I hope you are having a great summer and staying cool. Until next time.

Fraternally,

Barry Jenkins,
