### **FROM THE EAST**

Forgive me I'm running a little late with the Trestleboard, with all the good weather February arrived a little quick this year. Both executive boards from the Eastern Star and Table Rock Lodge met on January 19<sup>th</sup> and listed below are some highlights.

The next quarterly executive board meeting with the Eastern Star will be on April 19<sup>th</sup> at 6:00 PM. The Eastern Star will be hosting, **"Honor the Masons Night"** March 27<sup>th</sup>, meal served at 6:00 PM here at the lodge. This will be an event where you can bring your family and have some fellowship. **(LODGE TO FOLLOW)**. We discussed an ice cream social to take place sometime the last half of June and also discussed a joint yard sale for both Eastern Star and Table Rock Lodge; tentatively set for September. Also new lodge keys were handed out to the Eastern Star.

I spoke with our Senior Warden Rob Fuqua and he has set May 19<sup>th</sup> as the **tentative** date for the golf tournament. The tournament will take place at Hidden Valley Golf Course near Clever, MO. Listed below is our calendar for February.

#### **FROM THE SECRETARY'S DESK**

Brethren, if you haven't paid your dues, please remit your check ASAP, to avoid additional expense to the lodge of sending out second notices.

#### **FROM THE WEST**

In December I had made an appeal for more attendance at the lodge meetings. Please allow me some time to continue on that subject. There are many projects and matters that regularly come before the Lodge that effect you and all of the other brethren of the lodge. Everything that the Lodge might participate in, what worthy brethren may be sick or disabled and could use our attention and when degree work is to be done. Unfortunately, many of our brethren are aging where they cannot come to meetings to carry on the light that they sought, nurtured and attempted to pass on to others. Regular attendance at meetings helps us grow in the light of brotherhood and to continue our brotherhood to those that are ailing but not to be forgotten. Concurrent with attendance at meetings, an aging Lodge and spreading the light to members is our need to continue to grow! I hope that during the remaining part of the year everyone can bring in at least one new member. Ask your friends, ask your fellow church member, ask a co-worker, they could be waiting to find the light this new year but are afraid to ask. See you at lodge.

Rob

Fuqua, Senior Warden
