### *From the Secretary*

It is a busy time in the Lodge! So let me share some events with you all.

On Tuesday September 6<sup>th</sup>, 2022 we had installation of officers for the upcoming year. Their names as well as the appointed officers are on the previous column. I wish them well in their endeavors in the coming year.

We will be bringing back our Sunday Breakfast on October 9<sup>th</sup>. 8 a.m. until noon. The cost will be \$10 and is still all you can eat! Please come out and support this important money maker for the Lodge.

We recently initiated Bro. Dan Penrod. Please watch your emails from the lodge for his future degree work. Right now, the S.W. has set that date for Tuesday, November 1, 2022 with the permission of the W.M.

If you have not already you will be receiving your dues notice. Please be advised, that dues are PAYABLE, by December 31<sup>st</sup>, 2022. If they are not paid by January 31<sup>st</sup>, 2023 you will be charged a \$10.00 late fee and if they are not paid by April 1<sup>st</sup>, 2023 you will be suspended for nonpayment of dues. So please when you receive the notice, please return your dues.

Finally, I hope each one of you and your family are well. Please keep those brethren and their families who are experiencing sickness, in your thoughts and prayers.

Fraternally,  
Ray Province - Secretary

### From the East

Brethren, Greetings from the East, This trestle board marks a new year at Table Rock Lodge #680. Elected and appointed officer installation was performed by MWB Tim Thomas, on Sept. 6<sup>th</sup>.

A special thank you to RWB Barry Jenkins and RWB Rick Hutchinson who served as installing Chaplin and installing Marshal. Thank you to WB Terry Bible for your year as Worshipful Master as well!

Our lodge is in very good standing in all respects and we look forward to building on the stability of our experienced members and the enthusiastic energy of our newer members. Our annual audit is complete with a glowing report, Glen and Barry took very good care of our finances this past year, thank you guys. Our ritual is solid and getting more precise. Budgeting and committee

appointments are underway.

My goals for the year are to achieve the best possible communication, peace, harmony and a desire for brethren to participate in our sacred retreat of friendship and virtue. We have several opportunities for grand lodge recognition in ritual and community involvement. I would like our members to travel to other lodges, districts and even visit lodges in other states, bringing the best ideas to our group. Seven of us are attending Grand Lodge this week and will have a report to start that process.

My contact information is enclosed and I hope to see or hear from you.

Thank you.  
Best regards,  
R.W.B. Greg Yoder

**Ross C. Anderson : Chaplin**

Ross Anderson is from Oklahoma and a graduate of Oklahoma State University. Ross ran a Heating and Airconditioning business that covered most of Western and Central Oklahoma, but also included areas from Amarillo, Texas to Central and Southwestern Kansas. Not only is Ross an airplane pilot but has been a flight instructor of twin engine airplanes. Among many of Ross's interest is restoration of old cars from the 1930s to more modern cars such as his new 1956 Oldsmobile.

Ross became interested in Masons and the Masonic Organization as it began to influence and reinforce the way he thought people should be; having good morals, ethics, and demeanor. Ross found that the Masons were the type of people he wanted to be associated with. Although Ross did not know about Masons, he

learned that many of his relatives were Masons and their wives were members of the Eastern Star. Also, many of the people he was doing business with in the Kimberling City area were Masons. Ross like many people did not know about Masons. Ross joined the Mason through our Lodge.

Through Ross's experience and work he has become a Worshipful Master and is currently serving as our Chaplin. Ross believes that one of the most important things in Freemasonry is mentoring, teaching and learning of the Masonic way, and its ritual. Ross says one of his most prized, meaningful and cherished possessions is his Worshipful Masters Apron.

Say hello to Ross and wish him another good sixteen years of Masonic life.

### A Masonic Wish...

Have Health enough to make work a pleasure;

Have Wealth enough to support your needs;

Have Strength enough to battle difficulties and to overcome them;

Have Grace enough to confess your sins and forsake them;

Have Patience enough to toil until some good is accomplished;

Have Charity enough to see some good in your neighbor;

Have Love enough to move you to be useful and helpful to others;

Have Faith enough to make real the things of God;

Have Hope enough to remove all fears of the future.

And now may God bless you and Bless you kindly, God speed and good Day.

How did you get the Black eye?  
The wife was giving me a lecture and I corrected her three times.
