### FROM THE MASONIC HOME

Get started with your CAP Project today — the process is simple:

1. Identify a need within your community
2. Raise funds locally
3. Submit a CAP application
4. Receive approval and double your impact
5. Deliver the support and share your story

In Fiscal Year 2025, the Creating-A-Partnership Program provided **\$1,268,948** in direct assistance, supporting **48,956** children across Missouri. This remarkable impact was made possible not only through the resources of the Masonic Home, but through the dedication of Brothers and Sisters like you, who saw a need in their communities and chose to serve.

### FROM THE WORSHIPFUL MASTER

Brethren, I hope everyone is doing well. As we get closer to starting 2026, I just want to say thank you. You all have become such an important part of my life that I can't explain. The inner peace I feel when I come to lodge for meetings or practices are phenomenal.

This year let's continue our fellowship nights. Let's practice and get those, Bronze and Silver awards. We still have time to reach for the Gold. Your passion to become better men for yourself has spread over to helping everyone around become better men. For this alone I can not thank you enough.

Everyone knows I can go on and on but with this being said, I wish each and every one of you and your families a very Blessed New Year!
